 J.J. Garrett Memorial Scholarship

This scholarship will be awarded to a USBC young sanctioned bowler who best exemplifies Mr. Garrett's love of the game. J.J. believed that if bowling wasn't promoted at a young age, the sport would die. We want to recognize a young bowler who not only participates but also helps to improve our sport.

This bowler may be nominated by a coach, center owner/manager, parent, another bowler or by the bowler themselves. The bowler must be actively coaching, volunteering, and/or assisting in the promotion of bowling. They must be in good standing with their association and show sportsmanlike conduct at all times.

This scholarship will be awarded based solely on the above criteria. Detailed volunteer information is crucial to this application. Nomination, reference, and/or personal letters will also be considered. **MAKE SURE ALL CRITERIA IS PRESENTED IN EACH SECTION AS REQUIRED** (Grades and bowling accomplishments are not part of this award).

It is important that you get this information to your Coaches and/or your youth bowlers.

We need everyone's help in getting these applications out to the bowlers. Only current applications will be accepted.

The Florida State USBC will award 1 (one) \$1000 J.J. Garrett Memorial Scholarship each season, this scholarship can only be won once per recipient.

Please run as many copies as you need to get these very important papers into the hands of your dedicated coaches and youth directors. These individuals will see that their bowlers will get and complete these applications. Ensure they mail the applications on time and you may have a winner at your center.

As always, thank you for all you do for the youth bowlers in your center and the Florida State USBC Association, Inc.
